Super 60 Sure Selection Programme Details

Vedanta IAS Super 60

Vedanta IAS Super 60 is a focused programme for serious UPSC Civil Services aspirants. The programme is designed to provide selected candidates with a structured preparation ecosystem covering **Prelims, Mains and the Pre-Cum-Mains stage**.

Admission to Super 60 will be through an **All India Selection Test (Based on the UPSC Syllabus)**

The Super 60 Journey

The programme is divided into three specialised tracks:

1. Super 60 Prelims	2. Super 60 Mains	3. Super 60 Pre-Cum-Mains
Focused preparation for UPSC Prelims with conceptual learning, practice, revision and test-based preparation.	Focused Mains preparation covering answer writing, Essay, General Studies and compulsory language requirements.	An integrated preparation approach designed to build continuity between Prelims and Mains preparation.

Why Vedanta IAS Super 60?

UPSC preparation is not just about collecting study material. It requires **the right direction, consistent practice, regular assessment, mentorship and disciplined preparation**.

Super 60 brings these elements together in one structured programme.

- **Limited Number of Students**
- **Structured preparation system**
- **Personal Attention till Selection**
- **Complete Preparation Ecosystem**
- **Digital + Physical Support**
- **Mode - Online + Offline**
- **Medium - Hindi + English**
